

## **We Invite You to Become a Member of the Madison County Historical Society**

Members are the foundation of the Madison County Historical Society's community of support. Thanks to the generosity of members, donors, volunteers, and other individuals, the Society is able to meet its mission to collect, preserve, interpret, and exhibit items significant to Madison County.

Through membership you, too, participate in providing a quality museum experience, revolving exhibits, educational outreach programs, and special events to our local, national, and international guests.

Free admission is just the beginning of your Society membership. New benefits have been added to show our appreciation for your vital support.

Is it time to renew? If you have not renewed your Annual Membership, please complete this form and return it to the Museum. Perhaps it is time to step up to a Life Membership.
