

HISTORY ON THE HILL 2025

Madison County Historical Complex

Sat, Oct. 11th • 11am - 5pm

Sun, Oct. 12th • 11am - 2pm

WOOD CRAFTSMANSHIP: HIGHLIGHTS FROM THE COLLECTION & MADISON COUNTY ALPHABET SOUP

In the South Gallery, you will find "Wood Craftsmanship: Highlights from the Collection". Spot the similarities between your home and our collection of furniture, and learn about some of the tools used to create them. Enhanced by artwork and other housewares, this exhibit is filled with craftsmanship.

In the North Gallery, we have reset last year's popular exhibit "Madison County Alphabet Soup". The only thing the artifacts in this exhibit have in common is that they represent Madison County! From aviation to quarries to Pythians, and a bed for good measure, enjoy a stroll through the alphabet via objects that represent all 26 letters!

HORSE & WAGON RIDES

Once again, Lonnie Douglas will provide his restored wagon and beautiful horses to take you and your family on a wagon ride over the beautiful 25 acres of the Historical Complex. Enjoy looking over the grounds and Winterset from History on the Hill.
